

## Cherished Bible Stories

### Lesson 10

- 6) How did God connect the Israelites' bondage and the covenant promises He previously made to Abraham? (6:5-8)
  
- 7) What does God tell Moses in 7:3? Comparing this to 7:22-23 and 8:15, harmonize all these passages together. *Thought question:* consider Acts 16:14 as a "parallel thought" and comment on how all these passages should be understood.
  
- 8) List all the plagues in order. (7:17 – 11:8) *Research question:* considering 12:12, find out what you can re: how these plagues were in reality God's judgments against Egypt's idols.
  
- 9) What was the real purpose for these plagues? (9:13-17)
  
- 10) Re: the 9th plague (*darkness*), what did Moses demonstrate to Pharaoh? (10:21-26) How was this different from his earlier actions before God in Ex. 3-4?
