Genesis 37

## Stand-up Camel

Joseph's brothers did not like it when their father gave Joseph a beautiful coat and did not give anything to them. They decided to send Joseph far away to another country. Joseph rode a camel to get to the other country. God took care of Joseph when he was in the country far away, just like God takes care of you now.

Color the camel. Your teacher will help you glue the camel to a folded sheet of construction paper so the camel's head sticks up above the fold. You can glue a square of fabric on the camel for a blanket. The camel can help you remember that God is taking care of you.

**For the Teacher:** Pre-fold the construction paper sheets and cut out the camels. Provide fabric squares, 2½ inches in size, for the children to glue onto the camels.
