

## In The Days When The Judges Ruled

### Lesson 17

- 5) Once again, how does **17:3-5** reflect the period of the judges? How does the author describe Israel in these days? (**17:6**)
  
  
  
  
  
  
  
  
  
  
- 6) Thought question: what does all this “mixing” of different religious ideas remind you of today?
  
  
  
  
  
  
  
  
  
  
- 7) To whom are we introduced in **17:7-8**?
  
  
  
  
  
  
  
  
  
  
- 8) What was Micah's proposal to this Levite? (**17:9-10**) What was the Levite's response? (**17:11-12**) What does that say about the Levite's spiritual character?
  
  
  
  
  
  
  
  
  
  
- 9) Thought question: why do you think Micah would make such a “proposal?” (**17:13**)
  
  
  
  
  
  
  
  
  
  
- 10) What is described in **18:1** re: the tribal land of Dan? How does **Josh. 19:47-48** & **Judg. 1:34** keep us from forming the wrong impression re: the statement “...no inheritance being given to Dan?”
